

## Preschool Campers

Preschool campers from ages 3 – 4 will discover a summer of friendships and adventures Monday through Friday from 9:00 – 1:00 at Golden Pond. The preschool camp emphasizes fun and independence for all campers. Our energetic counselors present exciting themes that feature art, free play, movement and in-house field trips. Campers will have the chance to socialize with children their own age and reconnect with school year friends – whether they are working side by side on a project or out on the playground! Campers must be three years old by September 30 to enroll in summer camp.

## School Age Campers (SAC)

Golden Pond's School Age camp schedule is unique and without comparison. Our innovative ideas and creative themes provide enjoyment and inspire campers in an enthusiastic atmosphere as they explore new friendships and reconnect with old friends. Hands-on art, colorful paint and textured mediums will entice our campers to use their imaginations and be more creative than ever as they think outside the box using every day materials in new and exciting ways. The Canteen (Camp Store) is always a huge hit! Buying tasty treats like popsicles and ice cream to eat in the beautiful outdoors is one of our summertime traditions. School age campers will enjoy in-house field trips while our extended day campers will keep busy during weekly off-site field trips.
